# Your Strategic Partnership with

## Introduction

Discover how Cheryl Schubert transforms organizations through strategic leadership, streamlined operations, and cohesive team dynamics. This overview outlines the approach, services, and what you can expect when we partner to elevate your organization's potential.

## My Philosophy: Clarity, Collaboration, Results

I believe leadership thrives when vision is clear, operations are efficient, and teams are aligned. My work is rooted in:

- *Strategic Clarity*: Turning complex challenges into *actionable strategies*.
- *Operational Excellence*: Building systems that drive efficiency and growth.
- *Team Synergy*: Fostering trust, accountability, and collaboration.

With over two decades of experience, I partner with leaders to create sustainable change that delivers measurable outcomes. I achieve this by creating the conditions and providing the frameworks for your teams to:

## *1. Develop Operational Vision & Strategy*

- **Clarify Goals & Challenges:** We'll collaboratively assess your organization's current state, guiding you to identify key goals and challenges.
- **Forge Actionable Operational Roadmaps:** I facilitate the development of a clear, actionable roadmap that aligns leadership and teams around a unified path forward.
- **Empower Vision Communication:** I equip your teams with proven tools and strategies to effectively communicate their vision across the organization.

## *2. Streamline Operations*

- **Design Efficient Processes:** I guide your team through the process of designing efficient processes that pinpoint and eliminate bottlenecks.
- **Implement Scalable Systems:** We'll work together to implement systems that enhance productivity, ensure scalability, and optimize workflows.
- **Align for Lasting Impact:** I facilitate the alignment of your operations with strategic objectives, ensuring decisions and actions drive lasting impact.

### *3. Strengthen Team Dynamics*

- **Foster Psychological Safety:** I create an environment that encourages psychological safety and open communication within your teams.
- **Build Trust & Accountability:** Through expertly facilitated discussions, I help teams build robust trust and foster mutual accountability.
- **Unlock Collective Intelligence:** We leverage powerful techniques like xChange to unlock and amplify your team's collective intelligence and innovative potential.

### *4. Drive Sustainable Change*

- **Uncover Practical Solutions:** I help your teams uncover and develop practical, data-driven solutions designed for immediate impact.
- **Embed New Practices:** I provide ongoing guidance and support to help your organization successfully embed new practices and rhythms.
- **Empower Adaptive Leadership:** My approach empowers your leaders and teams to sustain growth, proactively adapt to change, and navigate future complexities with confidence.

## Services

I offer tailored solutions to meet your leadership and organizational needs:

- **High Stakes Facilitation:** Innovative group sessions to foster engagement and collective problem-solving.
- **Operational Consulting:** Strategic process design to optimize workflows and achieve goals.
- **Team Workshops:** Interactive sessions to improve collaboration, alignment, and performance.
- **Leadership Coaching:** One-on-one guidance to enhance decision-making, confidence, and clarity.
